GREGORY H. WOODS, District Judge:

A conference in this matter is scheduled for May 29, 2020, at 10:00 a.m. The parties have informed the Court that they believe that the proceeding may be conducted by remote means. Dkt. No. 21. Accordingly, it is hereby

ORDERED that the conference will take place by Skype for Business videoconference. To access the conference, paste the following link into your browser:

To use this link, you may need to download software to use Skype's videoconferencing features.¹ Participants are directed to test their videoconference setup in advance of the conference -- including their ability to access the link above. Users who do not have an Office 365 account may use the "Join as Guest" option. When you successfully access the link, you will be placed in a "virtual lobby" until the conference begins. Participants should also ensure that their webcam, microphone, and headset or speakers are all properly configured to work with Skype for Business.

If you intend to join the conference from an Apple device, you should ensure that you are running a version of Skype for Business that was published on or after April 28, 2020.² Users running earlier versions have encountered an issue in which Skype for Business does not receive any inputs from the computer's microphone, and they cannot be heard by other participants.

IT IS FURTHER ORDERED that members of the press, public, or counsel who are unable to successfully access Skype for Business, may access the conference audio using the following credentials:
